

Providing world-class marine service and repair to the great yacht & boat owners in Dallas-Fort Worth, Texas is something we pride ourselves in, and something which is a product of decades of experience.

Our Team

When you experience service from our team, you're receiving service from a team of precision-oriented Master Marine Technicians, along with a former mega-yacht Captain who's sailed the world aboard 100+ multi-million dollar yachts.

Dallas Boat Service, LLC

Terms of Service

We Provide Yacht & Boat Owners
With Decades of Experience
Working on Vessels Ranging in
Size from 15'-150'

We call our Master Marine Technicians "*Boat Surgeons*"...because they are.

Just as a Surgeon combines *symptoms* with *comprehensive testing* to determine proper diagnoses and suggest a professional solution based on their expertise...our **Master Marine Technicians operate in the exact same manner.**

Our Master Marine Technicians specialize in the field of *Marine Mechanics*.

How We Operate

When we aren't servicing and maintaining our current clientele of hundreds, of boat owners (including fleets)...we offer our highly sought-after, Mobile Marine Service to yacht and boat owners who call for help with an issue, or multiple issues aboard their yacht, or boat.

Due to the comprehensive process of professionally diagnosing each vessels' issue, it is very common that our Master Marine Technicians discover multiple issues leading to the "root cause" of your yacht or boat's symptoms, *are other, than what you have assumed.*

We are experts at what we do and we appreciate you understanding this fact, ahead of time.

- Each one of our marine service and repair jobs are both scheduled & completed based on our timeline, parts availability, inclement weather etc.
- Many service and repair jobs exceed the initial estimate due to the sheer nature of the discovery process, as we SEARCH for the ROOT CAUSE of your vessel's issue.
- Once we've discovered your exact root cause, you can expect to receive an accurate estimate which will include all labor hours, parts and a date for repairs to be performed.

"Dallas Boat Service does great work at the best prices!"

- Ronnie R.

Please be aware that some jobs may require a re-schedule due to unforeseen complications.

By replying "Agreed" to our request via text message, or email, you are agreeing to our terms of service.

Thank you and we look forward to serving you soon.

Happy Boating!

Dallas Boat Service, LLC

"Revolutionizing The Boating Industry."
